The Intercultural Development Research Association is an independent, non-profit organization. Our mission is to achieve equal educational opportunity for every child through strong public schools that prepare all students to access and succeed in college. IDRA strengthens and transforms public education by providing dynamic training; useful research, evaluation, and frameworks for action; timely policy analyses; and innovative materials and programs.

We are committed to the IDRA valuing philosophy, respecting the knowledge and skills of the individuals we work with and build on the strengths of the students and parents in their schools.
